Access to the full range of digital maps for local councils

Would you know where all your playground equipment is located and when its annual inspection is due?

Do you know when your buildings were last valued?

Can you easily track all of your council assets at the touch of a button?

Parish Online is the perfect tool for Councils to help you do all these things. You can record assets in a centralised and secure web-based register, available to all relevant Council staff. Each asset can be linked to the related documentation, such as valuations, maintenance records and photographs.
